MEETING MINUTES

Date: 3 March 2011
Time: 3:30 p.m. — 5:00 p.m.
Location: Administrative Services Building, Room 203

I. Minutes approved.	
<p>II. Updates:</p> <p>A.) Membership – J. Wingerter was asked to contact all members of PC3 and verify their continued interest in serving on the committee.</p> <p>B.) Webpage – J. Wingerter is waiting to hear from M. Winkel for access to webpage.</p> <p>C.) Initiatives:</p> <ol style="list-style-type: none"> 1. Solar Energy Panels- it was shared that the solar panels to be installed on Metzger and Decker garages cannot be gifted to the College due to contractual issues. An RFP will be generated and openly advertised for public bidding. 2. Energy Saving Improvement Programs (ESIP)- Energy companies will use Spiezel Report to determine which projects are doable. Three companies will be chosen to give presentation. 3. Transportation- N. Stern and B. Potter will meet to discuss funding from SFB for a 3-year commitment to purchase software. N. Stern suggested the IT department share in the first year’s pilot program cost. 4. No report. 5. Community Garden- P. Vigueroa-Vega met with Professor J. Gray to begin putting together a plan that will continue to help the PC3. It was 	All

<p>shared with the committee that the garden can stay in the present location for 1 more year. It will then need to move to a different location.</p> <p>6. MLUC and Bonner Partnership-The committee was told that the the Bonner Center and the MLUC weren't able to come to an agreement due to the time commitment, manpower, and funding. Another proposal is being generated if funding is being restored by the President.</p>	
<p>III. Announcements</p> <p>A.) The PC3 will continue to meet on the first Thursday of every month at 3:30pm in ASB 203.</p> <p>B.) It was announced that in order to continue the initiatives through the PC3 the College must rejoin NJHEPS and ACCPUC.</p>
