| II. Discussion Items A. Bonner/MLUC Projects 1. It was announced that the Bonner students will be arriving on campus on August 21st. August 23 rd there will be a 1 hour meeting for the incoming Bonner students at which C.Heuring will address the students explaining the work and information regarding the PC3. 2. Forestry Inventory More information is needed, but Sustainable NJ, Bonner Teams and the local municipality will work together. 3. It was reported that part of the greeting campaign for students would be to include a pledge card for sustainability efforts. The students will be asked to pledge 3 things they can do to enhance sustainability on campus (i.e. don't leave water running while brushing teeth, only wash full loads of laundry, recycle, etc.) . B. Curriculum – no report. W. Fatton will email M.Horst information regarding a curriculum template. M. Horst and N.Magee will be promoting Environmental Studies Concentration (ESC) during advising by speaking with advisors. It was suggested information about ESC should be posted on the website a few weeks before registration. C. Transportation – N. Magee reported that icarpool.com has been looked into and looks favorable. B.Potter will give update regarding contract issues/information at the next meeting. | All |
