

# Help to keep The College of New Jersey clean by using our refillable mug!

## Why is our mug so great?

### **Use of the mug helps to reduce waste on campus.**

*If you use the mug for just one beverage per day, you'll reduce waste on campus by 23 pounds per year.*

### **Fill it up when you dine at The Atrium at Eickhoff, or take it to any retail location on campus for a refill at a discounted price!**

*If you purchase one caramel macchiato each weekday with your mug, you'll save over \$50 in one semester!*

### **Because the mug is absolutely spill-proof when closed, it is the only mug approved for use ANYWHERE in TCNJ Library.**

*Each year, spills cause more than \$2000 worth of damage to Library materials, equipment & furnishings.*

## **Purchase a mug today at The Library Cafe or The Marketplace Convenience Store for only \$3.99!**

*This initiative is sponsored by  
Student Government, President's Climate  
Commitment Committee & TCNJ Dining*

**Keep the College clean.**

**Keep the planet clean.**

**It's that simple.**

# **DRINK RESPONSIBLY.**
